

**Barwon South Western Regional Integrated Cancer Service (BSWRICS)
Expression of Interest**

Share your skills and contribute to improving cancer care

Expressions of Interest are invited from persons who wish to become members of the BSWRICS Cancer Consumer Advisory Group or Registry of Cancer Consumers.

BSWRICS work in collaboration with health services in Victoria's Barwon South Western region to improve the experiences and outcomes for those affected by cancer. Volunteers are sought to participate in a regional cancer consumer advisory group or become a member of the registry of cancer consumers to make a valued contribution to the improvement of cancer services.

Applications for the Consumer Advisory Group are sought from persons who have completed cancer treatment at least 2 years prior and are willing to:

- **Become a registered volunteer with Barwon Health, Portland District Health, South West Healthcare, Colac Area Health or Western District Health Service**
- **Speak to groups within the local community**
- **Represent people affected by cancer**

BSWRICS will reimburse participants for all out of pocket costs, e.g. travel.

Persons unable to actively participate in the Consumer Advisory Group are encouraged to share their skills and experience on occasion as members of the Consumer Registry.

For more information please phone BSWRICS: **03 5226 7243**
Expressions of Interest close Friday 7 October 2011.
