

# TRANSPORT ASSISTANCE SCHEMES

## MULTI- PURPOSE TAXI PROGRAM

The State Government has a program that gives half price on taxi fares up to a maximum discount of \$60 per trip and a total of \$2180 per year.

You need to have a special card to get the discount. To be able to get a card you must have a form filled out by the doctor.

The doctor will only fill out the form if you;

- Live in Victoria permanently and
- Have a severe and permanent disability that stops you from being able to use public transport by yourself.

Application forms are available from the Victorian Taxi Directorate or your doctor.

If you need someone to go with you, they can also claim some costs.

To be able to claim you must be;

- Living in a Victorian rural area
- Have referral to the nearest specialist and
- Travel 100km or more (one way) from your home to the place of the nearest specialist.

Application forms are available from the Department of Human Services or your doctor's receptionist or download at

**Accommodation** and meal allowances may be claimed if you have to stay away from home for treatment.

You need to check with the Department of Veterans' Affairs as to what is covered by each coloured card.
