

TRANSPORT ASSISTANCE SCHEMES

MULTI- PURPOSE TAXI PROGRAM

The State Government has a program that gives half price on taxi fares up to a maximum discount of \$60 per trip and a total of \$2180 per year.

You need to have a special card to get the discount. To be able to get a card you must have a form filled out by the doctor.

The doctor will only fill out the form if you;

- Live in Victoria permanently and
- Have a severe and permanent disability that stops you from being able to use public transport by yourself.

Application forms are available from the Victorian Taxi Directorate or your doctor.
