

TRANSPORT ASSISTANCE SCHEMES

MULTI- PURPOSE TAXI PROGRAM

The State Government has a program that gives half price on taxi fares up to a maximum discount of \$30 per trip.

You need to have a special card to get the discount. To be able to get a card you must have a form filled out by the doctor.

The doctor will only fill out the form if you;

- Live in Victoria permanently and
- Have a severe and permanent disability that stops you from being able to use public transport by yourself.

Application forms are available from the Victorian Taxi Directorate or your doctor.

Accommodation and meal allowances may be claimed if you have to stay away from home for treatment.
